I AM IRONMAN!

On Saturday, June 18, Murrieta Fire Engineer Cody “Ironman” Anderson went toe-to-toe with Fred “Super Soy Sauce” Sabas from Sybcuan Fire Department in a 17th annual Battle of the Badges boxing match. The bout went the scheduled three rounds, and as the bell rang to mark the end of the fight, it was clear that Ironman Anderson would be the victor. The event, a marquee fundraiser for the Community Youth Athletic Center (CYAC), was held on the flight deck of the USS Midway Museum in San Diego.

CERT Field Day

On Saturday, June 18, Murrieta, Temecula Citizen Corp (TCC), Menifee, and Riverside County Emergency Management Department (EMD) participated in hosting a Community Emergency Response Team (CERT) Field Day at Ronald Reagan Sports Park in Temecula. CERT is a program that teaches the community critical lifesaving skills after an incident or a disaster.

During the field day, CERT mem-

bers were able to refresh the hands-on skills they learned during the basic course. The members went through a rodeo-style of lessons, including field search, scene size-up, fire suppression, and triage. The City of Murrieta also unveiled its new CERT response trailer design with

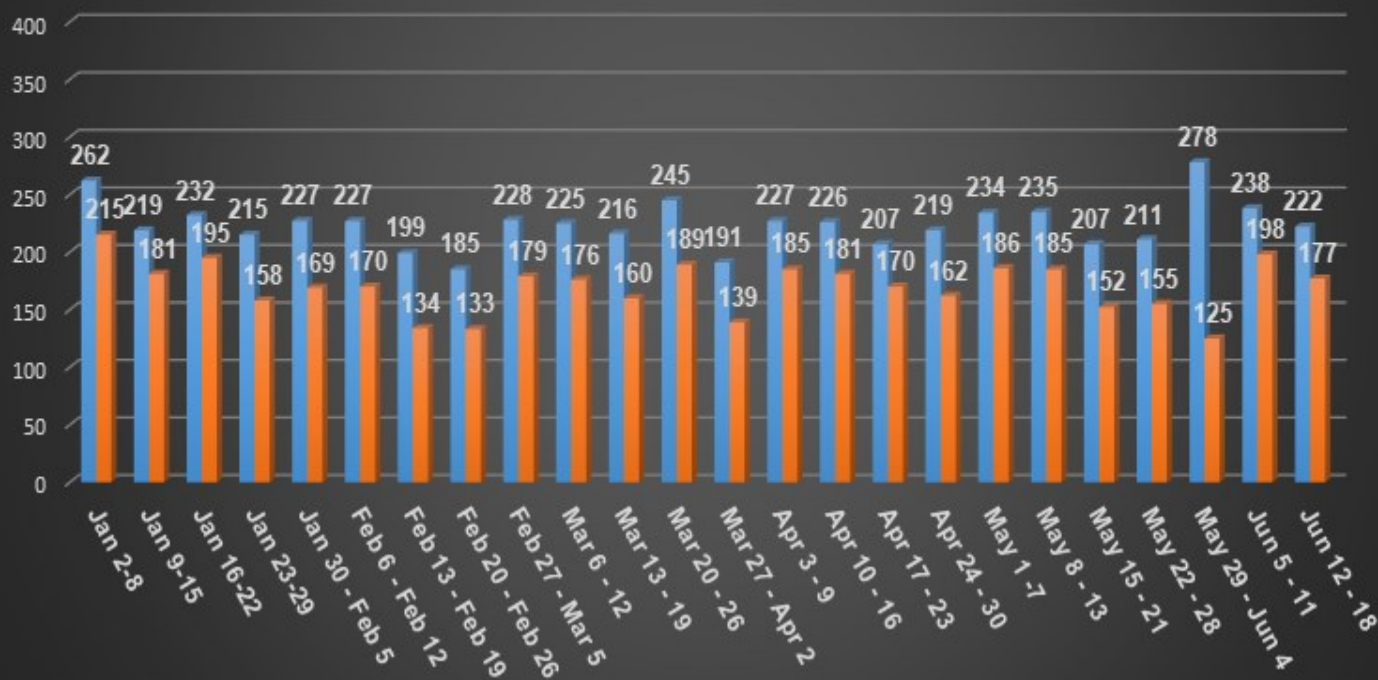

graphics reflective of the city. Can you spot the old mill?

Murrieta Fire & Rescue would like to thank the Murrieta Fire Explorers and Dru Snider from the Murrieta Valley High School Fire Science Technology Program for assisting with the setup and tear down of the site.
